INTRO TO 받침 Rule

- To pronounce words with two or more syllables correctly, you need to understand 받침.
- The sound of the 받침 changes depending on the initial consonant of the next syllable.
- There are many rules but we'll focus on the most essential rules only because learning every rule is pointless

받침 batchim RULE 1

날아 = 나라

To fly

- When it's followed by ㅇ
- 받침 sound moves over

EXCEPTION

맛없다 = 마뎡다
맛없다 = 마뎡다

머뎡다 = 머뎡다
머뎡다 = 머뎡다

- Not tasty
- Not cool
