Verb Negation

Stem + 지 않다 / 안 + verb

- Do not / Does not / Did not
- There are **2 ways** to make a negative sentence

Verb Negation

V + 지 않다

Can be used with

Formality

Any Verb

More
Formal

VS

안 + V

Can be used with

Formality

Native (Pure)
Korean Verbs

+

3 syllable

Sino-Korean verbs

Less
Formal

You use 안 + V with
Sino Korean verbs that have
1 syllable + 하다 form

Ex: 변(變)하다 – To change

안 변했어 O – I didn't change
안 공부해요 X – I don't study
> 공부하지 않아요 O

What is Native (Pure) Korean verb?

- Over 50% of Korean words come from Chinese

They're called Sino-Korean or 한자 – Chinese characters

If a word is not Sino-Korean, it's native (pure) Korean.

How to distinguish Native vs Sino?

1. All verbs with 2 syllables are pure Korean

- 가다, 하다, 오다, 먹다, 살다

2. All non-하다 verbs are pure Korean

- 배우다, 고맙다, 가르치다

3. All sino-Korean verbs have __하다 form

▶ **but that doesn't mean all 하다 verbs are sino-Korean**

- 좋아하다, 사랑하다, 말하다, 사냥하다 are pure Korean

4. Use Dictionary to be sure

You CAN use 안 + V with Sino Korean verbs that have 1 syllable + 하다 form

Ex: 취하다, 변하다

안 취했어 O – I'm not drunk
안 변해요 O – I don't change

Stem + 지 않다

- **Vowel or 받침 of the stem doesn't matter**

하 + 지 않다 – To not do

가 + 지 않다 – To not go

아 + 지 않다 – To not eat

믿 + 지 않다 – To not trust

All you have to do is conjugate 않다 according to the standard rule

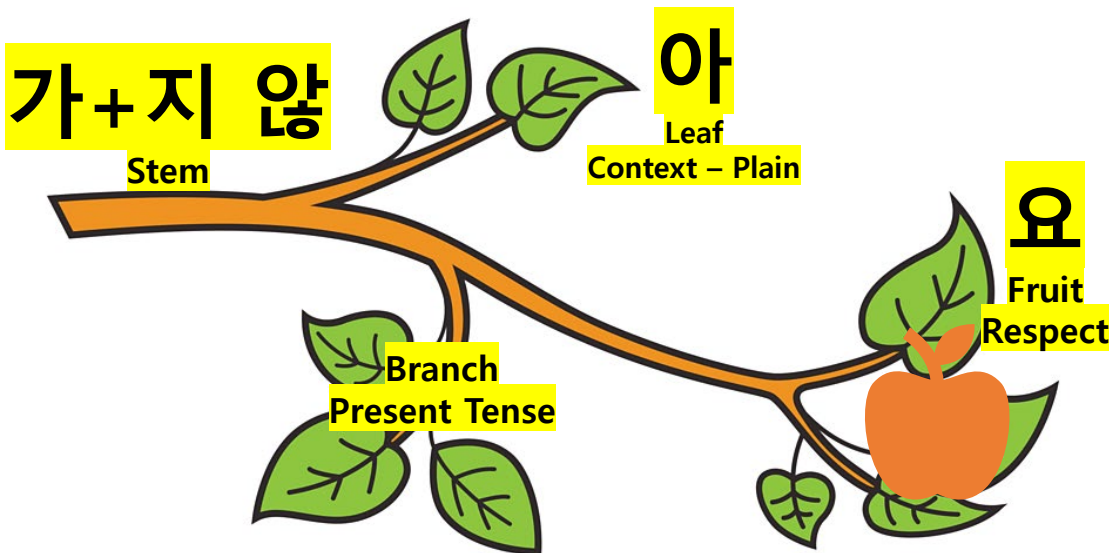

- 지 않다 is a bit more formal than 안 + V
- **Can be used for all Korean verbs**

가지 않다

Present Tense Informal low + high

가다 – To go

않다 ends in ㅏ and has 받침

저는 클럽에 가지 않아 (요)
– I don't go to clubs

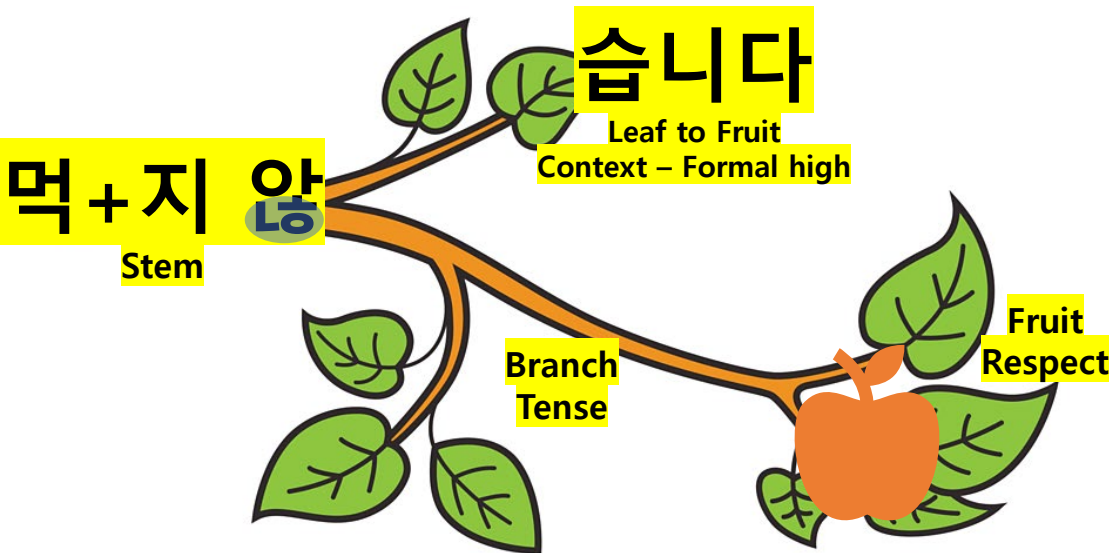

가+지 않 + 아 = 가지 않아(요)

먹지 않다

Past Tense formal high

먹다 – To eat

않다 ends in ㅏ and has 받침

제 여자친구는 해산물을 먹지 않습니다
– My girlfriend doesn't eat seafood

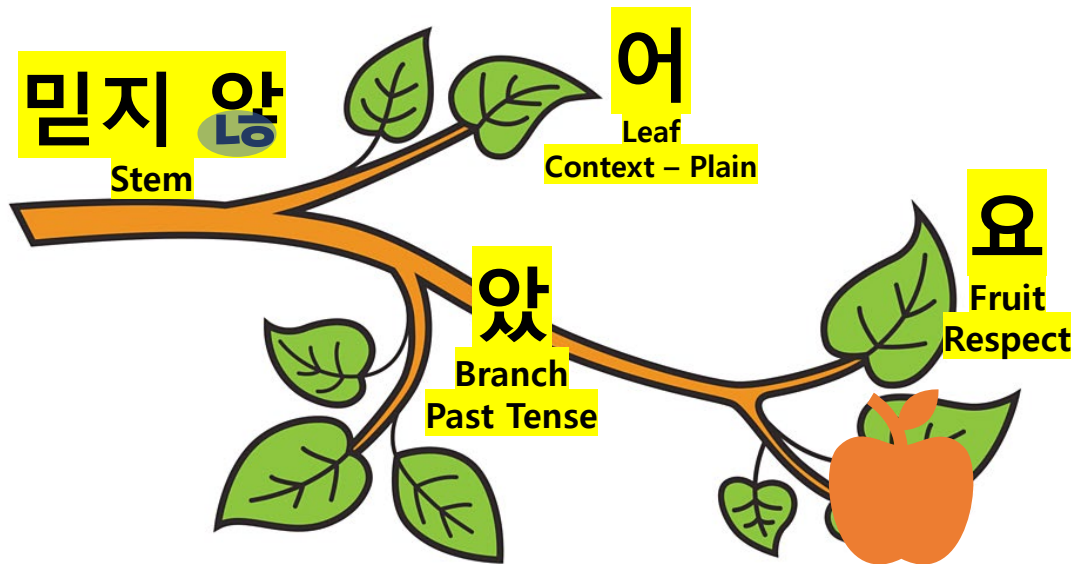

먹+지 **않** + 습니다 = 먹지 않습니다

믿지 않다

Past Tense Informal low + high

믿다 – To trust / believe

않다 ends in ㅏ and has 받침

처음에는 개는 저를 믿지 않았어(요)

– At first, he/she didn't trust me

- 처음: First time (noun)
- 믿다 could both mean believe or trust

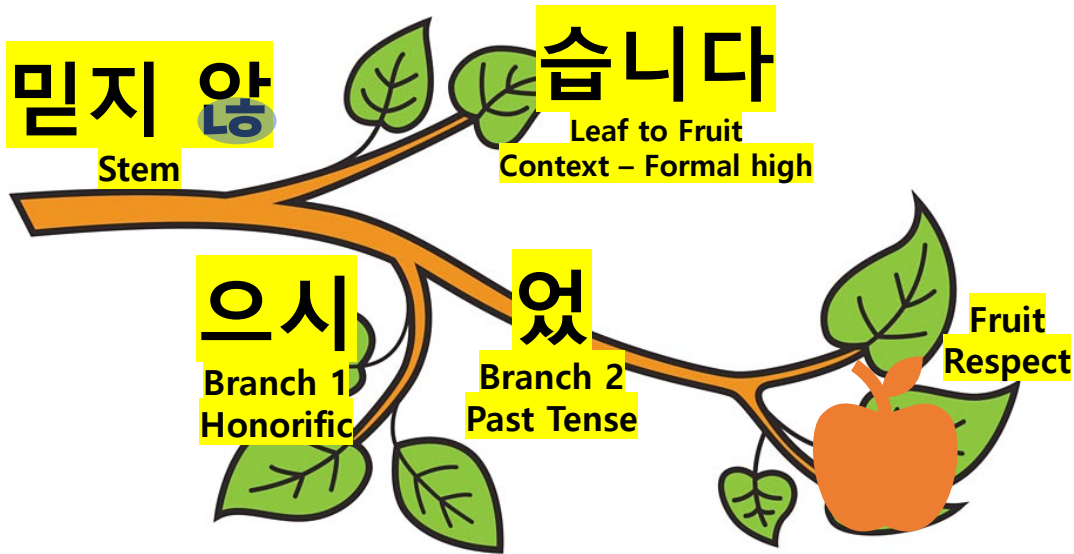

않 + 았 + 어(요) = 았았어(요)

믿지 않다

Past Tense Informal high

믿다 – To trust / believe

않다 ends in ㅏ and has 받침

사장님은 종교를 믿지 않으셨습니다

– The owner didn't believe religion

[He didn't have a religion]

믿지 않다 + 으시 + 었 + 습니다 = 믿지 않으셨습니다

안 + VERB

All you have to do is simply add 안 before the stem and conjugate the verb.

- 안 + V is a bit less formal than V+ 지 않다 form
- Can be used with **pure Korean verbs & 3 syllable Sino-Korean verbs**
 - 취(醉)하다 : To be / get drunk
 - ▶ 안 취했어 O : I'm not drunk
 - 발견(發見) 하다 : To discover
 - ▶ 안 발견했어요 X → 발견 안 했어요 O
 - 공부(工夫) 하다 : To study
 - ▶ 안 공부했어요 X → 공부 안 했어요 O

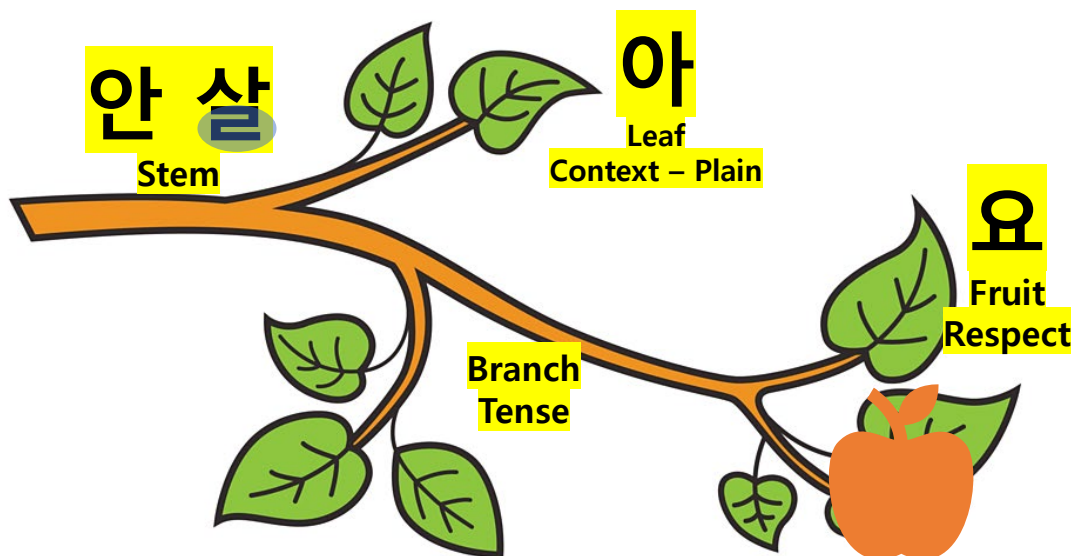

You can split
Sino + 하다 verbs
And attach 안 before 하다

살다

Present Tense Informal low + high

살다 – To live

Native (Pure) Korean verb

안 + 살 + 아(요) = 안 살아(요)

저는 아파트에 안 살아(요)
– I don't live in an apartment

Why is 에 used not 에서?

Both 에 and 에서 can be used for 살다.
Living can be both stationary and active.

저는 한국에 살아요 ○

저는 한국에서 살아요 ○

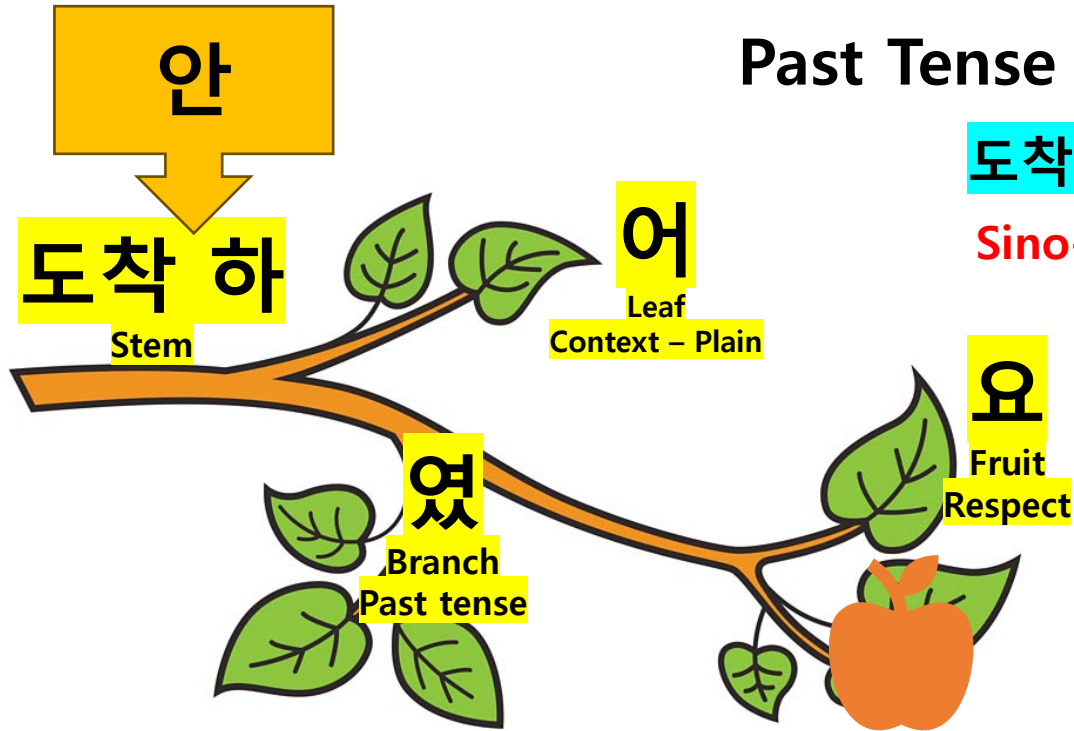

Both are correct

도착하다

Past Tense Informal low + high

도착하다 – To arrive

Sino-Korean 하다 verb

비행기가 아직 도착 안 했어요
– The airplane didn't arrive yet

비행기: Airplane

아직: Yet

도착 + 안 + [하였 = 했] + 어+(요) = 도착 안 했어요

Future Tense

- There are several forms of future tense endings in Korean
- Each ending has several meanings depending on the context (sometimes particle)

4 common endings

1. ㄹ/을 것이다 (ㄹ/을 거다)
2. ㄹ/을게(요)
3. ㄹ/을래(요)
4. 겠다

Why so many?

Compared to English

I'm **coming** to the party

I'm **going to come** to the party

I **will come** to the party

I **should come** to the party

- Each future tense ending could mean something different.
- Each sentence is heavily dependent on the context.

(을) ㄹ 것이다 / 거다

The most standard future tense

- Just like ㅂ받침 indicates a past tense, ㄹ받침 signifies something incomplete like **[something to ____]**
- Therefore, 이다 should only be conjugated to present tense
- 것이다 is shortened to 거다 - **것이다 is rarely used in conversations.**
- **거 is pronounced 꺼**

먹을 것이다 → 먹을 거다

Thing To be
먹을 거 예요

Pronounced 꺼

하 + ㄹ 것이다 → 할 거다

Thing To be
할 거 예요

Pronounced 꺼

(을) ㄹ것이다 / 거다

Other meanings

1. Simple future tense

- 저는 사과를 먹을 거예요 – I will eat an apple

2. [to be something to do] – (을)ㄹ modifies 거

- 이것은 먹을 거예요 – This is something to eat
[먹을] modifies [거] → Thing to eat → [먹을 거] + 이다

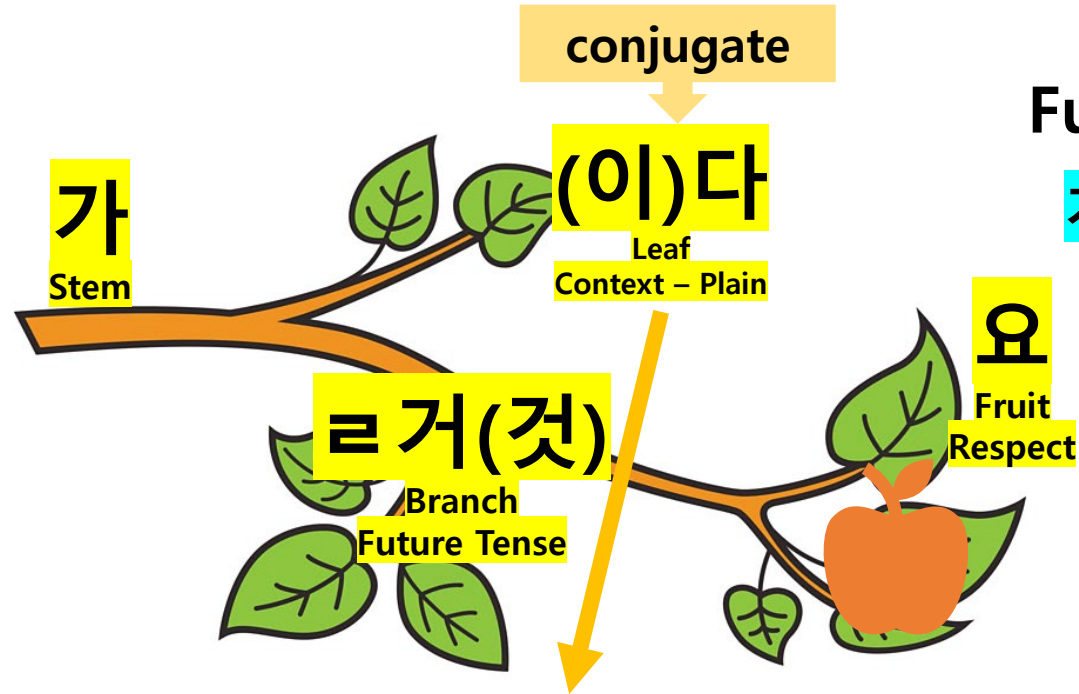

3. [Should] – Prediction (Pretty sure)

- 지혜가 알 거야 – Jihye should know
 - ▶ It must be Jihye who knows
- 거기가 아닐 거예요 – That place shouldn't be it
 - ▶ I don't think that's the right place

Are you sure **you're going to be okay?**

괜찮 + 으시 + 겠 + 어 + 요 = 괜찮으시겠어요?

겠다 - Declarative

Shows	Subject		Example sentence	Speech level	Timeline discussed
Willingness	1st Person	나 우리	나는 오늘부터 매일 운동을 하겠어 - I will exercise every day from today	Informal Low	Future
		저 저희	저는 내일부터 술을 끊겠어요 - I will quit drinking from tomorrow	Informal High	
			그 업무는 저희가 처리하겠습니다 - We will handle that task	Formal High	
Formal Notification	3rd person	비행기	비행기가 곧 착륙하겠습니다. - The airplane will land shortly	Formal High	Future
Conjecture	2nd & 3rd person	엄마	너네 엄마는 정말 피곤하시겠어 - Your mom must be really tired	Informal low	Present
		사람들	사람들이 좋아하겠어요 - People must like it (They will like it)	Informal High	Future
		파티	파티가 재미있 었 겠습니다 - The party must have been fun	Formal High	Past

겻다 – Inquisitive

Shows	Subject		Example sentence	Speech level	Timeline discussed
Question to confirm	2nd person	You (omitted)	여기에 서명하시겻어요? - Will you sign here, please?	Informal low	Present
			확인하시겻습니까? - Would you like to confirm, please?	Formal High	
Question Rhetorical	everything	나	내가 그걸 하겻어? - Would I do that?	Informal low	Hypothetical
		누구	누가 동의하겻어요? - Who would agree?	Informal high	
		저	제가 그 돈을 왜 받겻습니까? - Why would I receive that money?	Formal High	

You can only make 2 sentence types with 겻다

1. Declarative
2. Inquisitive

겟다

겟다 Special case

- 알다 = to know
- 모르다 = to not know

If you add 겟, it implies you have thought about whether you know or not

- Do I know it for sure? → No 겟
- Do I think I know it? → Yes 겟

What they sound like in English

- 알아요 : I **certainly** know
- 알겠어요 : I **think** I know now → **I got it / I understand**
- 몰라요 : I **certainly** don't know
- 모르겠어요 : I **don't think** I know → **I'm not sure**

알아요 vs 알겠어요

알아요 is used for **things that you know for sure**

A: 이 가수(를) **알아요?** – Do you know this singer?

A: 기타(를) 칠 줄 **알아요?** – Do you know how to play the guitar?

B: 네, **알아요** – Yes, I know

알겠어 is used for **things you think you know**. So, it's often associated with **new information or concept**

- ▶ You have to think “Do I know?” before replying

- ▶ This is more respectful than just “I know”, so it's also used to reply to **commands or requests** or to simply agree politely

A: [알아요]와 [알겠어요]의 차이를 **알겠어요?** – **Do you know** the **difference of** **알아요** **and** **알겠어요?**
[Do you understand the difference between **알아요** and **알겠어요?**]

B: 네, 이제 **알겠어요** – Yes, now I understand

A: 이제부터 **일찍** 와 – Come **early** from now on
[Don't be late from now on]

B: 네, **알겠습니다** – I got it. I understand

몰라요 vs 모르겠어요

몰라요 is used for **things you're sure you don't know**

▶ Simply the opposite of **알아요**

A: 이 책(을) **몰라요?** – Don't you know this book?

A: 그 영화 **몰라요?** – Don't you know that movie?

B: 네, **몰라요** – Yes, I don't know

몰라요 can sometimes sound a bit too blunt and sound like "Should I even know?"

모르겠어요 is used for **things you think you don't know**

▶ It can simply be the opposite of **알겠어요**

• **BUT, because thinking before answering is more respectful,**

▶ 모르겠어요 is more commonly used than 몰라요, **even for things you're sure you don't know**

Koreans say [아, 몰라]
"Screw it" "F it"

A: **혹시** 제 딸이 어디 있는지 아세요? – **By any chance**, do you know where my daughter is?

[Have you seen my daughter by any chance?]

B: 아뇨, **모르겠어요** – No, I don't know

[Oh no, I'm sorry. I don't think I've seen her]
